

St. Mary's School After School Program 2022-2023

(2:15p.m. - 5:30p.m.)

The St. Mary's After School Program offers a safe, supportive environment that encourages creativity and positive self-esteem. Students will do this through activities such as arts and crafts, music, and free play while further developing fine and gross motor skills.

Please send your child to school with a separate After School snack.

Students will be picked up at the gym/hall doors, where they will need to be signed-out.

Students can register at the beginning of each month. A form will be sent home to be completed. Parents will check off which days their child will be attending. Parents will send in a check (made payable to St. Mary's School) with their child, to the attention of the Afterschool Program.

Rates for the After School Program are as follows:

- 3:00p.m. pick up time is \$10.00
- 5:30p.m. pick up time is \$34.00
- Early Release 11:30a.m. - 2:30p.m. is \$36.00
- Early Release 11:30a.m. - 5:30p.m. is \$46.00
